Please RSVP by 18th June.

How to...

This unit is very simple...You can either:

1. Watch the movie with your children (pre-watch on your own if you have sensitive or young viewers)
2. Do the research for the questions using the websites on the footer of each notebook page.

OR

Do number 2 first and number 1 second!

3. Send out your invites to friends and family – a sample is attached.
4. Design your costumes (ideas: Teddy Bear (Rooseveltdt), Native American Indians, Cowboys, Centurions, Night watchman, Neanderthal...), research some foods (some suggestions have been: Hard tack, Biltong (jerky), teddy bear cookies, [Roman food](#) , [Native American Food](#)) We had one child come as “Dum-dum” with chewing gum and rock shandy!
5. Hire the video for the evening, make space for friends and when they arrive enjoy the food, the costumes and the movie.

Enjoy!
